The classrooms and the P.A. are silent now. A small but memorable part of our lives is over. Many experiences have combined to personalize this year for each of us. Perhaps it was shaking through a certain oral book report or winning a big basketball game in an overtime that will be remembered. It may have been the bonfire before a game, the hushed anticipation as the results of an election were announced, or the unforgettable performances of the faculty in assemblies that will remain in our memories. This year we have known the feeling of accomplishment as together we worked toward a common goal. Besides the relaxation of fun and companionship, we have had opportunities for personal challenge and development.

Let us stand together with renewed confidence in our cause—united in our heritage of the past and our hopes for the future—and determined that this land we love shall lead all mankind into new frontiers of peace and abundance.

ACADEMICS

WILLIAM H. JORDAN
Principal

Mr. Jordan, in his fifth year at Falls Church, came to our school from Lee High School where he was Assistant Principal. Trained in Florida, he was a pilot for the Navy. He received his Master's in Education at the University of Virginia, but the College he considers "his" is Bridgewater, from which he received his B.A. degree.

Through continual evaluation of the school program, Mr. Jordan maintains the high standards we have set. Under his able guidance and leadership, Falls Church High School has grown in prestige and scholarship.

WILLIAM H. BARRETT
*Assistant Principal
of Administration*

Mr. Barrett received his Bachelor's degree in Education from Washington and Lee University. He received his Master's degree at the University of Virginia.

He has spent a total of twenty-four years serving as an administrator of various schools throughout Virginia. This year marked Mr. Barrett's eighteenth year here at Falls Church. Many have found him a strict but understanding disciplinarian. His warm personality and sage advice related in his stories of the days past are treasured by all who know him.

Administration

FRANK BERNARD
*Assistant Principal
of Instruction*

Falls Church's new Assistant Principal, Mr. Frank Bernard, is not entirely new to us—he was our reading teacher last year. He also has taught in other Fairfax County Schools for four years. Added to this teaching experience are seven years in New York State.

He enjoys working with the students and faculty, and his aims here are to develop a program of study to meet the needs of every student and to try to bring new methods of teaching and new ideas to Falls Church.

Guidance Department

The Guidance Department is vital to the smooth operation of our school. It solves the problems of the students and helps them plan for the future. Our Guidance Department is headed by Mrs. Nelle Miles, who co-ordinates the entire guidance program. There is also a staff of five counselors and various assistants.

This department has several responsibilities, the most important being the counseling of students. The counselor, through conferences with the student and references to test scores and past records, can analyze the ability of the individual. The counselor is able to place him in classes to which he is suited and to evaluate his high school record for future plans.

Students take STEP and SCAT tests administered by the Guidance Department.

Language Skill from Conversation

The language laboratory is a valuable supplement to the teaching of languages.

Greater emphasis than ever before was placed on the use of the audiolingual method of language teaching this year. The language lab was used extensively by all classes in carrying out this program. The acquisition of a typewriter with foreign accents made the teachers' written work easier.

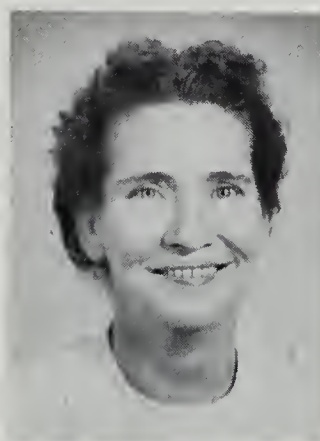

New courses offered this year include German IV and advanced placement French, which is to be continued through French IV and V. French V is a systematic study of French literature from the seventeenth century to the present. The German IV class attended an English performance of *THE INCENDIARIES*, which was later read by the class in German.

Creative Skill Developed in Art

An artistic endeavor by Danny Fouse.

Under the guidance of Mrs. Frances Crum, artistic and creative ability in such endeavors as painting and ceramics is developed and encouraged in the Art Department.

Several new techniques were initiated this year to broaden the field of study. These include wooden collages, slumped glass, and the use of an electric potters' wheel.

A trip to New York was offered to advanced students, to visit the museums of modern art.

Practice Makes Perfect in Music

Mr. Lunsford leads the band in rehearsal.

The band, directed by Mr. James Lunsford, and our choral groups, under the direction of Mr. John Atwood, not only provide entertainment for our school and many area organizations, but have won many awards and honors for Falls Church High School.

Home Economics Department

MRS. JANE SPRING
Department Chairman

A new room was added to the Home Economics Department this year, which is devoted completely to sewing projects. The kitchens have been greatly improved by the addition of new appliances, including refrigerators, a freezer, and table and chairs. There is one room which is used solely for entertaining. In this room were given receptions, parties, and luncheons to help develop poise in handling social situations.

A future homemaker practices her skill.

Industrial Arts Department

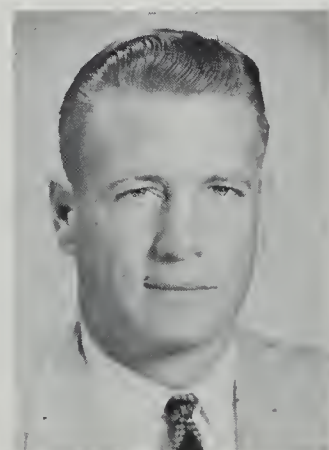

Mr. Jenkins demonstrates wood turning to a student.

The purpose of the Industrial Arts Department as stated by Mr. Cooper, the head of the department is, "To have the best for the greatest number of students, and always to improve the main objectives of the shop and mechanical drawing classes." Great improvements have been made this year, the most notable of which has been the addition of the new drafting room and the new drafting tables and machines. Automobile body work is an area of study which was added to the curriculum this year.

Horizons in English Extended

Don Harvey and Bob Mellott act out their parts in *THE TAMING OF THE SHREW*

Several new features were added to the curriculum of the English Department. An advanced placement class, working on the college level, has been introduced to senior English classes under the instruction of Mrs. Yvonne C. Fidalgo. On a junior class level, an experimental program is being added to the curriculum. The team teaching program synchronizes the times of study of Mrs. McCullough's classes and Col. Callahan's classes in order to provide a deeper understanding and appreciation of the relation between American history and American literature.

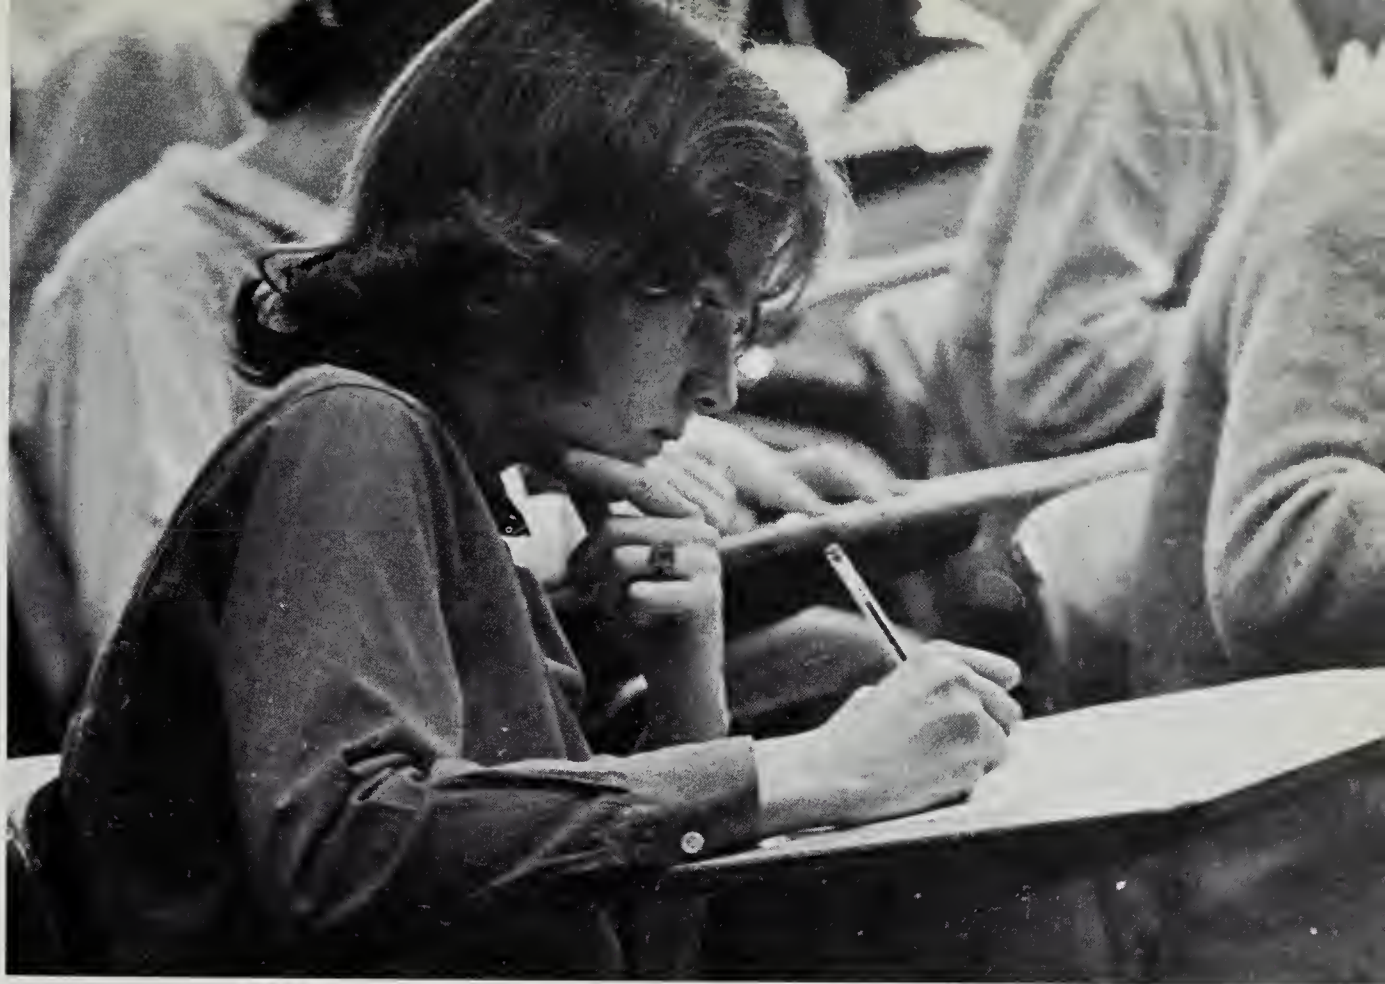

Aside from class studies, English classes took advantage of the dramatic performances staged by the students of Catholic University in Washington, D. C. This year's performances began with "The Way of the World," which broadened the students' experiences in the world of the theater.

The Business Department not only offers students a business diploma, but also lends assistance to those who are seeking an academic diploma.

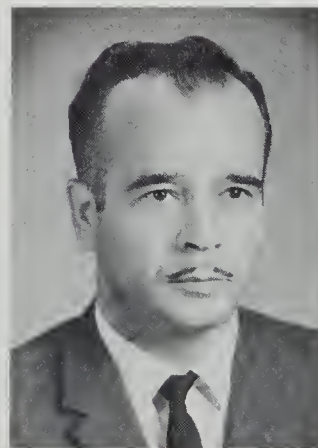

The courses available are Typing I and II, Shorthand I and II, bookkeeping, business math and industrial cooperative training. New semester courses such as notehand and personal typing have been added to the curriculum. Key-punch and data processing machines are the latest equipment which have been added to the department.

Science Department

This department provides opportunities for all students to observe and experiment in the limitless fields of science. Attempts are made to fulfill the needs of students with specific abilities and to encourage these students to seek careers in science.

The curriculum is planned emphasizing the importance of the major scientific principles, their discovery, and application as preparation for the role of science in the evolving atomic and space age.

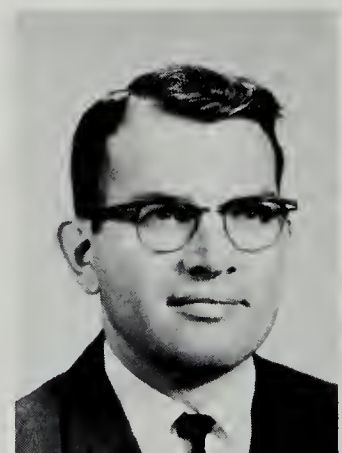

The most important innovation this year was the new Chem Study program. Activities included a visit to the Planetarium and lectures in our classes by area students.

Mr. Wickline directs his physical fitness program.

The principle aim of the Physical Education Department is to teach each student the importance of physical fitness, both now and in the years to come. Participation in games and exercises develops not only the physical ability, but the mental ability of each student. The department has instituted a method of cooperative teaching, in which the coach of each varsity team lends his talent to the instruction of all students in his particular sport. To the curriculum have been added gymnastics and fencing, for which new equipment was obtained.

Social Studies

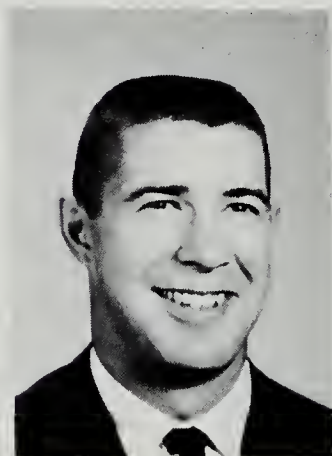

Mr. Atwood of the Music Department visited the American Civilization class to lecture.

The Social Studies Department offers courses in U.S. history, world history, American government, world geography, sociology, economics, and American civilization. American civilization, which was offered this year for the first time, is a coordination of the junior English and U.S. history classes taught by Mrs. McCullough and Col. Callaham. Also included in the course is the study of American art, music, journalism, and religion.

The Senior Class of 1964 proved to be one of the most spirited and energetic classes ever to graduate from Falls Church High School; as demonstrated in the final surge of selling, when they soared over the top to win the 1963 Magazine Drive. Then, with a hint of autumn in the air, the Senior Class presented the Homecoming Dance—the finale to the most colorful weekend of the fall season. As autumn drew on to the end of November, the seniors donned their Dogpatch attire for the Sadie Hawkins Dance, replete with bare feet, hog jowls, and 'possum soup. Autumn faded to winter, exams came and went. The thought of the mid-semester grades still conjures up some mixed emotions. As college acceptances and job promises began to trickle in, the seniors looked forward to graduation and the future, realizing the value of the past years' work. The Prom given by the juniors, in honor of the Senior Class, and then graduation, brought to a climax the hectic and exciting months which prepared the seniors to become citizens in a world of great responsibility and growing satisfaction.

Juniors Restore Traditions

OFFICERS

First row: MARK WHITTENTON, Boy Senator; KATHLEEN BLAKE, Secretary; KATHY WELLS, Girl Senator; LINDA BUDDENHAGEN, Sgt.-at-Arms; JIM KELLY, Vice-President. Second row: NANCY KELLER, Treasurer; MICKEY BEHREND, President.

The juniors ushered in the beginning of the '63 football season with a successful sock hop, after our victory over George Mason. As the year progressed, they joined with the sophomores as "Spockbirds" for the magazine drive. Led by fearless Mr. Lunsford, the prima ballerina and promising cheerleader, the juniors, having fought valiantly against the "Fireballs," surpassed their goal. Looking ahead to the Prom, the Junior Class continued its money-making activities and carried out a completely successful dues drive. Shortly afterward, the girls had the chance of a lifetime to tackle their "favorite" senior girls at the Powder Puff Game. And those cheerleaders were lovely! The junior homecoming float, a huge smoke-spouting cannon, placed second in the float competition and contributed greatly to the success of the parade. Remembering years gone by, the Junior Class presented the Christmas Dance. Besides returning this tradition to the heritage of our school, the proceeds of this dance helped finance the Prom, the most memorable dance of the year. Again looking to our past for inspiration, the juniors presented the Prom at the Willard Hotel. These activities were some of the landmarks of an eventful and memorable year for the Class of '65.

A long awaited moment.

RAYMOND B. HARTMAN

In Memoriam

Talented, friendly, and spirited Burr Hartman will always be remembered by those who knew him. Burr took an active interest in athletics, and his sportsmanship and spirit of competition were a credit to any team for which he played. He made friends easily and had the knack of bringing happiness to those around him.

Though Terry was a new student to our school, his quiet manner and friendly ways were assuring him a wide circle of friends.

We will always remember him with fondness and admiration.

Sophomores Promote Class Unity

OFFICERS

First row: DICK TRAYNHAM, *Sgt.-at-Arms*; BOB BOWMAN, *Boy Senator*; BOB BOULTER, *President*. Second row: ANN GARVIN, *Girl Senator*; SARALEE GOLDFEIN, *Vice-President*; CHERYL WILLIAMS, *Secretary*; CHARINE CIRLIN, *Treasurer*.

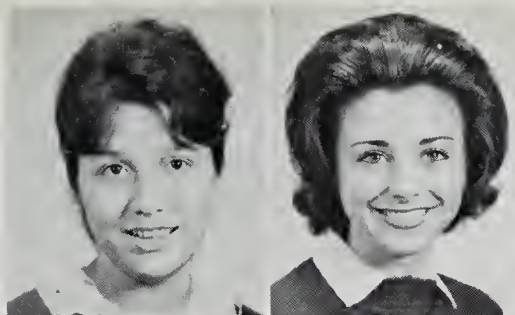

In this, the second year for the Class of '66, the members felt their growing responsibility for encouraging school spirit. The Sophomore Class was successful in this endeavor with many of the members loyally supporting and participating in all the school activities. The main project of the class was to build their treasury by sponsoring activities such as a bake sale, a car wash, and dance in April. The Sophomore Clss is one which greatly believes in good communication between the members of their class and their officers. They initiated such projects as a Class of '66 bulletin board, which helped to promote this cause. Unity and a willingness to work have made this class a strong part of Falls Church High School.

Freshmen Face Challenges

OFFICERS

This year the Gulch was invaded by an enthusiastic group of freshmen led by Chris L. Wright as president. This class realized their predecessors had set a fast pace for them to follow. Several dances and a successful dues drive helped the class to gather momentum. The freshmen teamed with the seniors in the magazine drive to spark the Fireballs to victory. With anticipation of future achievements, Falls Church welcomed the Class of '67.

Freshman Class

F.C.H.S. Chosen By Foreign Students

Julia and Rosa Bartucevic arrived in the U.S. late last summer from Santiago, Chile. Julia is a sophomore and Rosa is a freshman.

Boris Alberto Ruiz has been in America for about six months. He comes from the city of Bogota, in Columbia.

Michel Keller, who has lived in Cambodia and several different parts of France, his own country, is now living with Brad Keller's family. Michel likes Falls Church and says the school is like a big family.

Theodore Sprecher, Ellen Struick, and Johan Figge have all graduated from high school in the Netherlands. Theodore comes from Rotterdam and Ellen comes from Leyden. Johan and Theodore plan to return home and study electronics, but Ellen has plans which may include journalism, music, or English at a Dutch university.

HONOR SOCIETIES

National Honor Society

Margaret Gilchrist concludes the induction ceremony by presenting the final quality of members—service.

The National Honor Society, whose members are chosen on the basis of character, leadership, scholastic ability, and service, is sponsored by Mrs. Mabel Chapman.

The members offer their services as tutors to any student who may need help in a particular subject. This is one of the projects they undertake to raise money for the scholarship which is presented at the end of the year to a deserving student.

Mary Garvin discusses the subject of "character" with the newly inducted members.

'64 Jaguar Staff Seeks Fresh Approach

Miss Gary Maupin, Advisor

With the experience of the Southern Interscholastic Press Association convention of last spring behind the editors and the sponsor, the yearbook staff set out to completely revamp the yearbook. Behind the production of a new yearbook lay the co-operation among the members of the staff, from the keeping of accounts to photography and the writing of "copy." Many people were important in carrying out the varied and vital concerns of the staff. The aim of the staff was to preserve not only the important events—a certain game or the evaluation—but also the personal things which have made this year individual for each of us.

Front row: BILL LANDRUS, FRITZ DIETSCH, PAT McCARTHY, LINDA McPHERSON. Second row: FRANCIA REED, SUSAN BENOSKI, DONNA CLARK, JANET MELLOTT, SUSIE KARAMESSINES, JOHN MIKE MALONE. Not Pictured: SUSAN BONO, Picture Editor.

Co-Editors Mike Goulde and Frankie Roberts approve photographs for the '64 JAGUAR.

Mr. Blair Preston, President of King Printing Company, met with Yearbook staff members in the fall to discuss plans for the '64 JAGUAR.

Jaguar Journal

MRS. JULIE ROSSELL, Advisor

The Jaguar Journal staff began this year by having the newspaper printed on glossy white paper instead of the newsprint which was used last year.

The staff encountered many difficulties, being a relatively inexperienced group; however, a paper appeared on schedule once a month.

One of the newly established policies was to devote more space to scholastic achievements and to world-wide events.

In past years the Journal has won awards in all the press association competitions they have entered. Last year they won a first place in the Southern Interscholastic Press Association and are now working towards the Plaque—the highest award given by this association.

PAW PRINT Offers Medium Of Expression

PAW PRINT, the literary magazine of Falls Church High School, is published three times a year, in autumn, winter, and spring issues. Working with Mrs. Mary Wood, the faculty advisor, the members of the staff evaluate the poems, short stories, and essays which have been contributed. The material is then referred to the art staff for appropriate illustration. PAW PRINT not only provides entertainment for the students and faculty, but also offers a medium of expression and deserved recognition to those in our school with literary ability.

American Field Service

To support the American Field Service program in sending a student abroad, either for the summer or during the school year, the A.F.S. Club must raise one thousand dollars a year. Their responsibilities are two-fold, for the club also sponsors a foreign exchange student in our school. Money was raised this year from the sale of school-year calendars, Falls Church High School jewelry, hot chocolate during football games, and Christmas cards.

Bill Bowers has said of his trip abroad: "An American Field Service experience is something unique, something that can't be shared with anyone else. It means something different to each person." Bill's summer in Pakistan was extremely educational, having given him an insight into the American image as seen by few Americans. "My brothers," said Bill, "continually wanted me to experience new things especially foods, such as the Pakistani milk shake, sort of a mixture of curds and whey, but quite good. Eating seemed at times to be the Pakistani national pastime."

Altogether, Bill feels that it was a fascinating summer.

First row: RICKY TRAYNHAM, *Treasurer*; MARGARET GILCHRIST, *Vice President*; JANE McLAUGHLIN, *Secretary*; PETER WRIGHT, *President*. Sponsors Exchange Program

It was with pleasure that we welcomed Itoko Take-nouchi, our foreign exchange student this year. She came to us from Niigata, Japan, and is staying at the home of Nancy Keller, a junior at Falls Church.

Itoko says that many things were new and strange to her when she arrived in America. "Everything is filled with cheer and energy in the United States," she says. "When I walk through the hall to change classrooms, they are filled with talking and laughing and colors of girls' pretty clothes . . . the fact that American students are very friendly to each other greatly impressed me."

Itoko will graduate from Falls Church in June and will immediately return to Japan to complete her remaining year and a half of high school there. She then plans to go to college, where she will major in English.

Standing: SAGE REYNOLDS, TONI PATTERSON, JANET HESS, ELIZABETH PAULL, MRS. CRUM. Kneeling: LINDA GOODRICK, EDWARD KIKER, MARY LOU PARKINSON.

Art Club Prepares Spring Show

Elizabeth Paull, President, confers with Mrs. Crum, Sponsor.

The Art Club is an organization for the enjoyment and appreciation of art. The club members, along with the other art students in the county, made a trip to visit the art museums in New York City. Excursions to local galleries are also a part of the activities.

The annual Variety Show is sponsored by the Art Club to encourage student talent and to raise one hundred dollars for the Art Scholarship, given every spring to an outstanding senior art student. The scholarship is given in memory of a former student, George Schindler, Jr.

Junior Civitan Club

The Junior Civitan Club is a service club functioning not only in the school, but also in the community. It is made up of the outstanding boys of the school who have shown qualities of leadership and citizenship in all facets of their high school lives.

The many projects of the club this year have included promoting safe driving, co-sponsoring the annual Christmas food and toy drive, and encouraging school spirit by sponsoring faculty games and athletic awards. Other activities have been devoted to helping handicapped and needy children.

To raise funds for projects the Civitans have an annual Christmas fruitcake sale, sponsor faculty basketball games; and, this year, a "King Ugly Contest" was held.

Key Club Offers Service

"We build" is the motto of this service organization. The Key Club is dedicated to helping better the school, the church, and the community. The Key Club is composed of outstanding boys who are sophomores, juniors, or seniors.

The many activities of the Key Club this year have included "trick or treating" for UNICEF, co-sponsoring the Christmas food and toy drive, working for the Cerebral Palsy Center, co-sponsoring Maid and Butler Day, cleaning the football field after games, and caring for the school crest.

Miss Elizabeth Wilson and Miss Colette Carozza serve as sponsors for the Keyette Club.

The Keyette Club is one of the most active clubs in the school. It is a service organization whose motto is "We Serve." A few of their activities have been "trick or treating" for UNICEF, sponsoring a Teachers' Appreciation Week, and co-sponsoring Maid and Butler Day to raise money for the March of Dimes. Yearly projects include working as volunteers for United Cerebral Palsy and supporting a Japanese orphan. Keyettes devoted a whole month to weekly visits to the patients at Fairfax Lodge Convalescent Home. They also sponsored a drive to collect records and hair rollers for the patients at Western State Hospital in Staunton, Virginia.

Money to sponsor various projects came primarily from profits made selling hot dogs at football games. Bake sales throughout the year served to supplement funds.

Keyettes collected canned food and toys for the needy at Christmas.

United Cerebral Palsy is a Keyette District project. Falls Church High School Keyettes contribute to this project by baby-sitting for the children at the clinic.

The main fund-raising activity was selling hot dogs at home football games.

Members prepared hot dogs for sale.

One of the many projects of the Pep Club during the year was to make JAGUAR identification tags for athletic events. Here, PATTIE MOODIE makes tags for students attending the Northern Virginia Basketball Tournament.

The Pep Club is a large organization devoted to the promotion of school spirit. To achieve this end, the club decorated the goal posts, sold pom poms, pins, ribbons, and tickets to athletic events. In order to inform students of coming athletic events, the Pep Club kept the schedule board up to date.

Membership has increased in the past years, reflecting the growth of school spirit at Falls Church High School.

Varsity Club

The objectives of the Varsity Club are to promote a high standard of athletics at Falls Church High School, to create good fellowship among athletes, and to be of service to the school.

To become a member of the Varsity Club a student must have received a varsity letter and be in good standing with the Athletic Department. Members who have earned two letters are also eligible to buy Varsity Club jackets.

Activities include donating trophies in football and basketball. Each year the Sportsmanship Trophy is awarded to a member of the football team. This year the Varsity Club donated a rotating trophy between our school and Marshall, which is to be presented to the winner of the Falls Church - Marshall game each year. A trophy is also presented to the leading foul shooter on the team. An annual spaghetti dinner is held each spring. Funds from this dinner are used to buy trophies or to support the Athletic Department in some other way. Other activities include cleaning up the football field after games and parking cars.

Varsity Debate Team

ROBERT WEILL GERALD RAINS

The affirmative debaters Ray Colotti and Bob Weill wait expectantly for a reply from the negative team.

Falls Church High School has always been superior in debating activities and we are proud of this tradition. The mention of the Falls Church High Debate Team draws respect and admiration—both from the student body and the team's adversaries. In the past five years Falls Church has never finished less than third in debate. The 1961 Varsity Affirmative Debate Team placed first in Northern Virginia. In that year the negative team of Mary Ann Beall and Glenn Miller finished second. In 1962 the team finished third. The 1963 negative team of Steve Guch and Mike Grigsby placed second. Tim Ablett and Maitland Sharpe, the affirmative team last year, finished second in the league standings. They won first place at the Richmond University Tournament and finished second (after losing a first place runoff) in the George Washington University Tournament. To date the Varsity Affirmative Team of Ray Colotti and Bob Weill are tied for first place with a 5-1 record. The negative team of Gerry Rains and Bob Willis are in second place with a 4-2 record. The debate teams of the past have contributed a total of six trophies to the school's trophy case.

Student Council Association

According to Article II of the Falls Church High School Constitution, the purpose of the Student Council Association is "... to encourage closer cooperation and better understanding among the administration and the students."

This year the S.C.A. did exceptionally well in carrying out its established purpose. At the beginning of the year, the Student Handbook was published in order to provide general information about our school to new students. October saw the annual magazine drive which brought in over two thousand, three hundred dollars in profits. The money was apportioned to the various school functions according to need. As the Christmas season neared, the S.C.A. began to organize the Food and Toy Drive for the Salvation Army. At the same time the S.C.A. sponsored a drive to furnish new uniforms for our band.

In the spring the S.C.A. conducted a survey which offered the student body an opportunity to comment on the many facets of school life and to offer constructive suggestions for improvement.

FINE ARTS

Concert Choir

The Concert Choir is the largest singing group in the school, consisting of thirty-eight members.

The first activity of the Concert Choir this year consisted of participating in a music clinic at Fairfax and Annandale High Schools under the direction of Dr. Fredrick Mayer from Columbia University. The second activity was a Christmas Concert which enriched the Christmas season at Falls Church High School. In the spring the entire membership took part in the musical "Bye Bye Birdie," many of whom had leading roles. The Spring Concert, next on the agenda, was received well by the many who attended. The Concert Choir, at the district festival in March, obtained ratings of which we were very proud. Throughout the year the Concert Choir took part in many assemblies and other music programs, ending an active year by participating in the graduation exercises.

The Falls Church High School Madrigals, composed of sixteen students, auditioned and selected according to vocal ability, are one of the most active performing high school groups in Fairfax County. This is the third year they have been at Falls Church High and in these three years they have given more than seventy public performances. They began their activities this year by singing for the Magazine assembly. Their other appearances included the annual Christmas Concert, WMAL and WFAX radio performances, and various concerts for civic and church organizations.

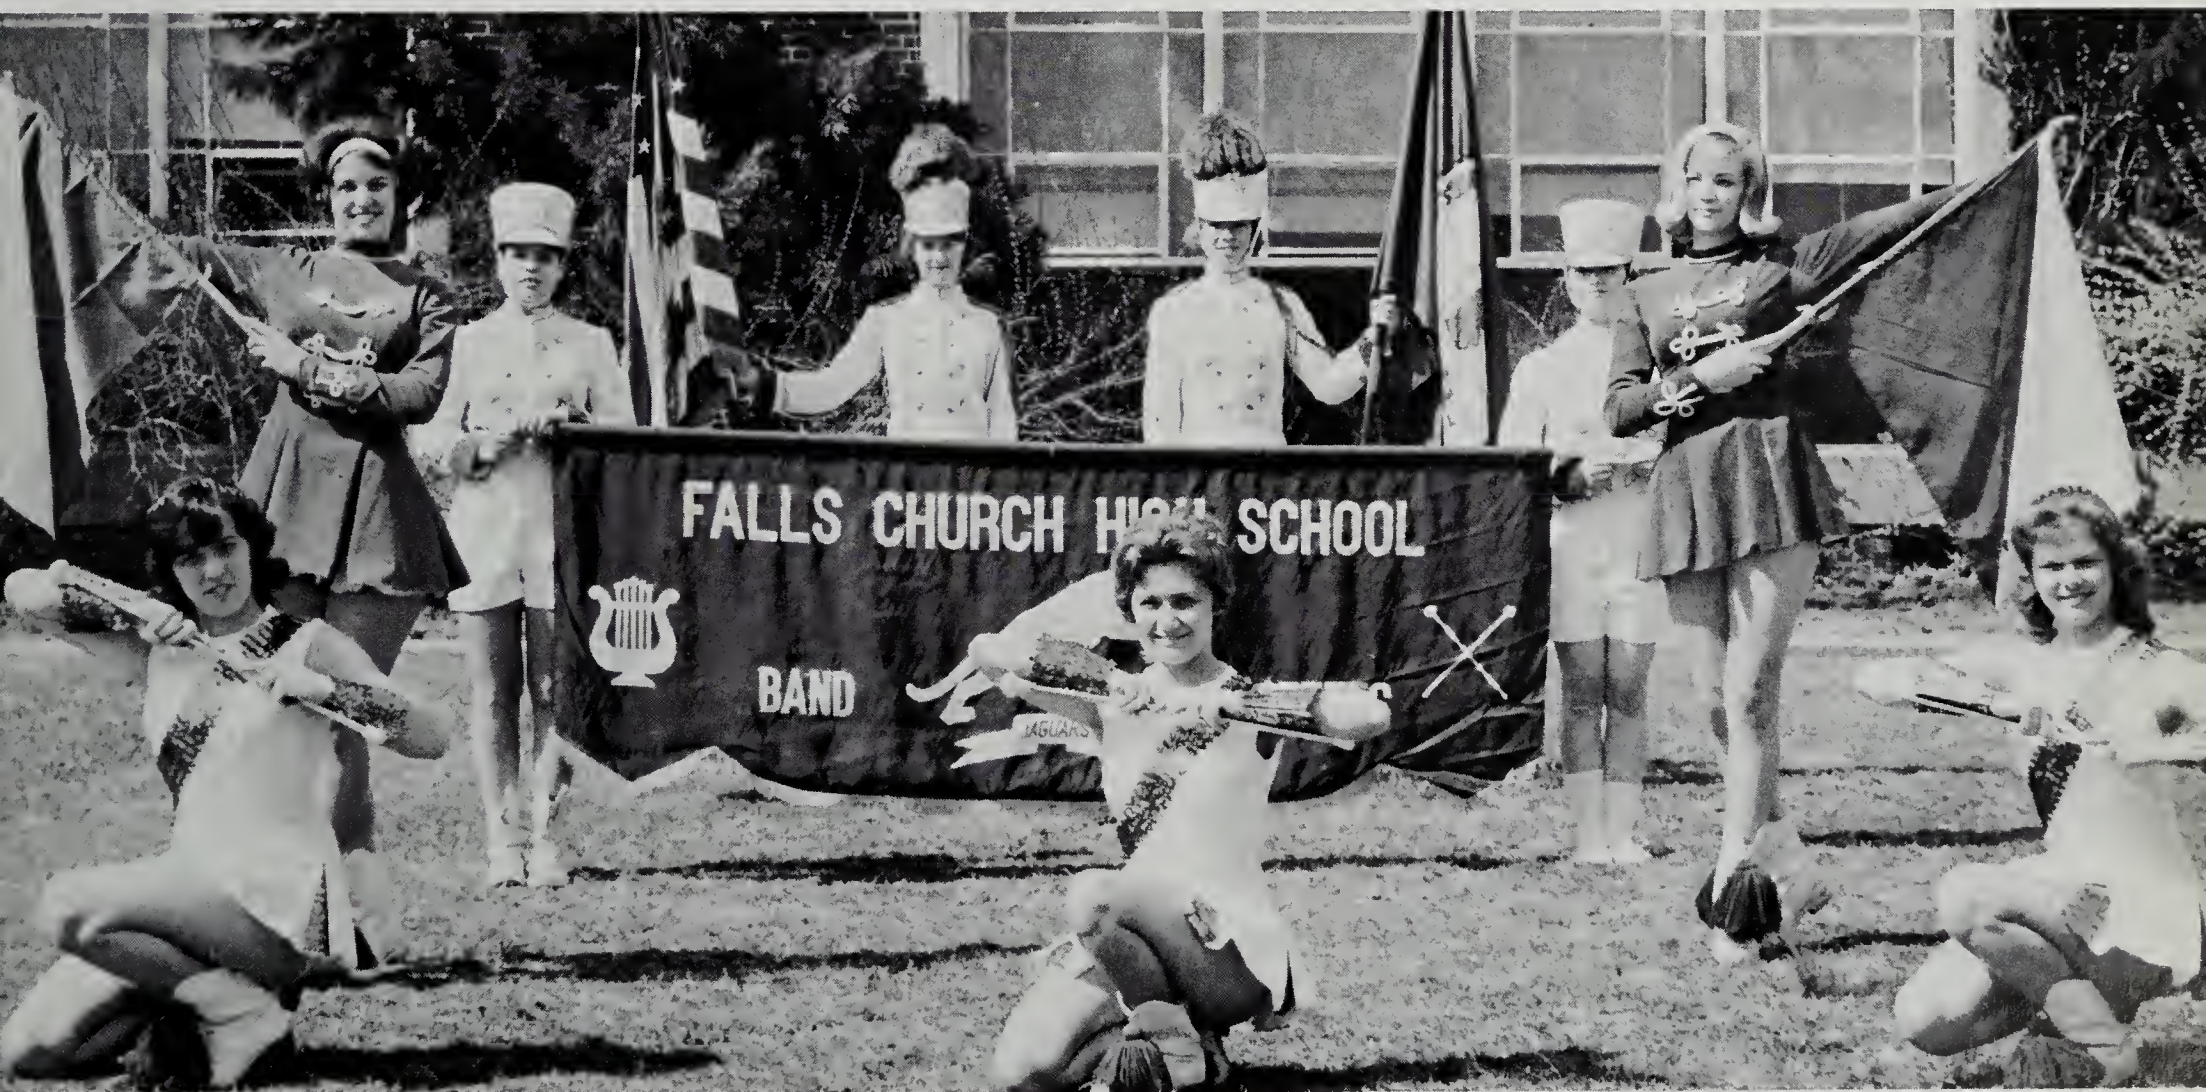

In February the Madrigals began a series of exchange assemblies with the Madison High School Madrigals. The first of these assemblies was given at D. J. O'Connell High School for the purpose of initiating a choral department into that school. Two other joint assembly programs were given at Falls Church and Madison High Schools.

All of the Madrigals were members of the cast for the spring musical "Bye-Bye Birdie," which was performed March 21 and 22. Two weeks later they participated at the District Music Festival. In May the Madrigals gave their own concert in the library. As in the past, the Madrigals closed the school year by participating in graduation exercises at Constitution Hall.

Concert

After returning from Orkney Springs Band Camp last summer, the band began rehearsals for football games. In the National Fire Prevention Week Parade they came out with a first place trophy. The annual Christmas Concert was presented in December.

Festival was held in March at Fairfax High School. The Concert Band played grade five music and got an "excellent" rating, the highest given a band in this grade. The Wind Ensemble played grade six music and became the first Falls Church High band ever to receive a "superior" rating for this grade music.

There were two drives to raise money for our new uniforms. The candy drive was first and raised \$900. In December the Band Pledge Drive raised over \$8,000 and in March the new uniforms arrived in time for festival.

In February eleven members went to All-State Band where three members won "first chairs." The Wind Ensemble was picked to accompany the All-State Chorus.

Varsity Basketball

The 1963-1964 varsity basketball season proved to be very successful for the Jaguars, as the team compiled the best record for Falls Church in Group I-A competition since 1958. Lead by the coaching of Mr. Dick Wickline, the Jags catapulted from a perennial doormat in the Northern Virginia District to a title contender.

The hustling Jaguars raced past George Mason, 77-49, in the very first game of the season. In the second game of the season the Jags played host to Yorktown, one of Northern Virginia's entries in the state tournament the year before, and beat them 61-48. The Wakefield game was won by the Jaguars at the buzzer in overtime, 50-48, on Mike McKinley's shot. In the Annandale game, the Jags beat the then third placed Atoms 59-58.

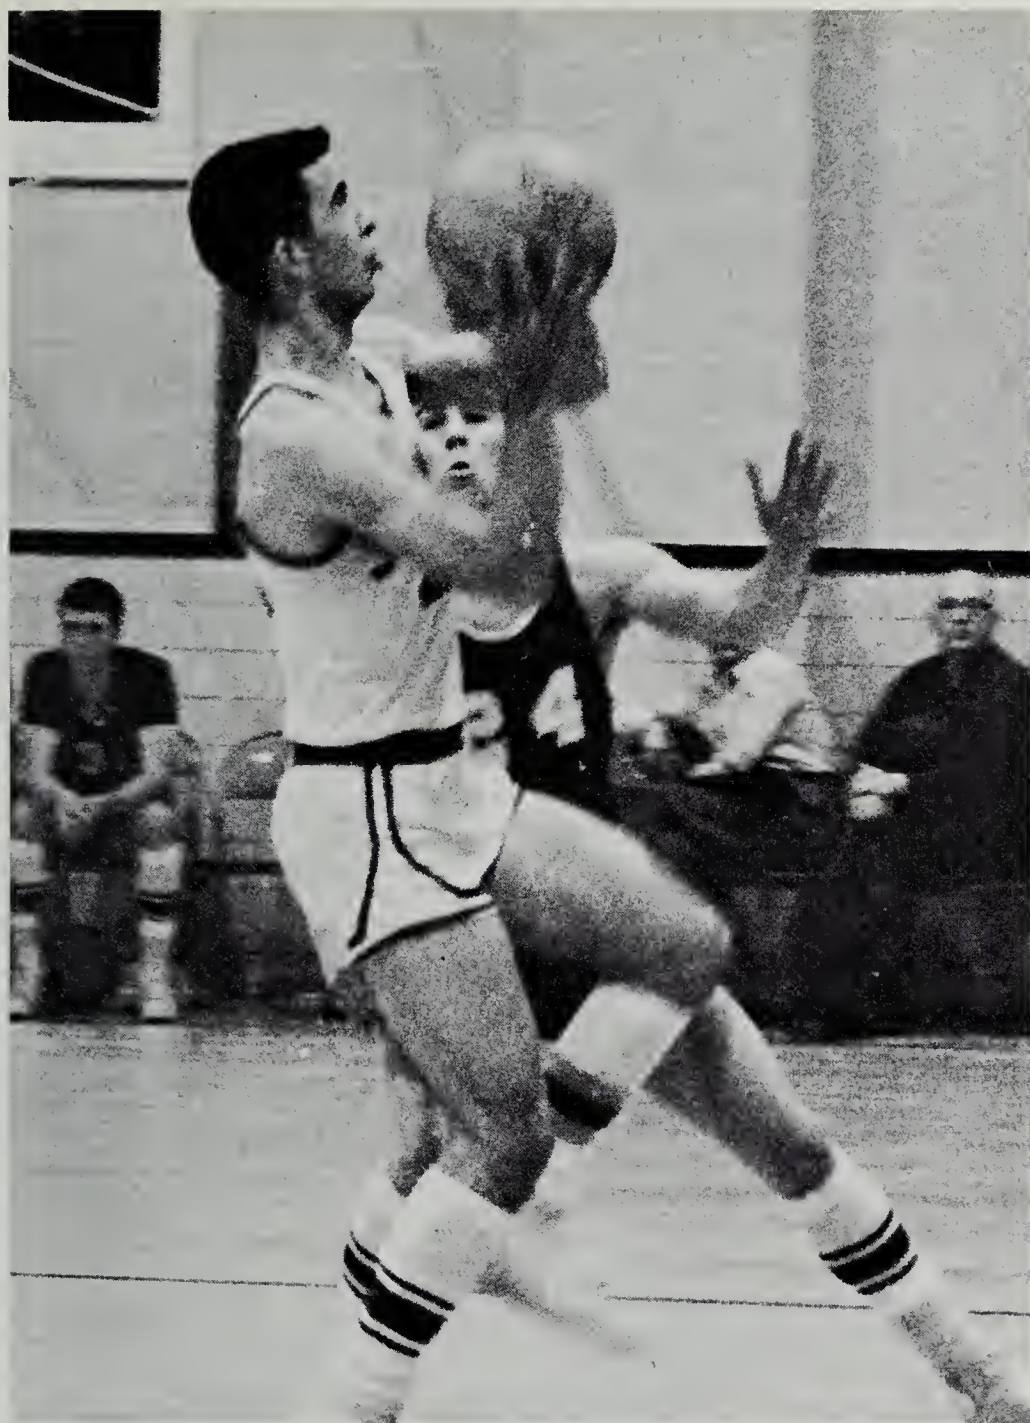

Of greatest satisfaction to the Jaguars was the fact that they received ranking as one of the top twenty teams in the metropolitan area for three consecutive weeks. During one week the Jaguars were ranked eleventh.

Falls Church is proud of the fact that the Jaguars finished the season with an over-all 12-6 record and wound up in a tie for fourth place, which sent the team to the Northern Virginia Group I-A Tournament.

Craig Burnham is congratulated by Coach Besnier after district win.

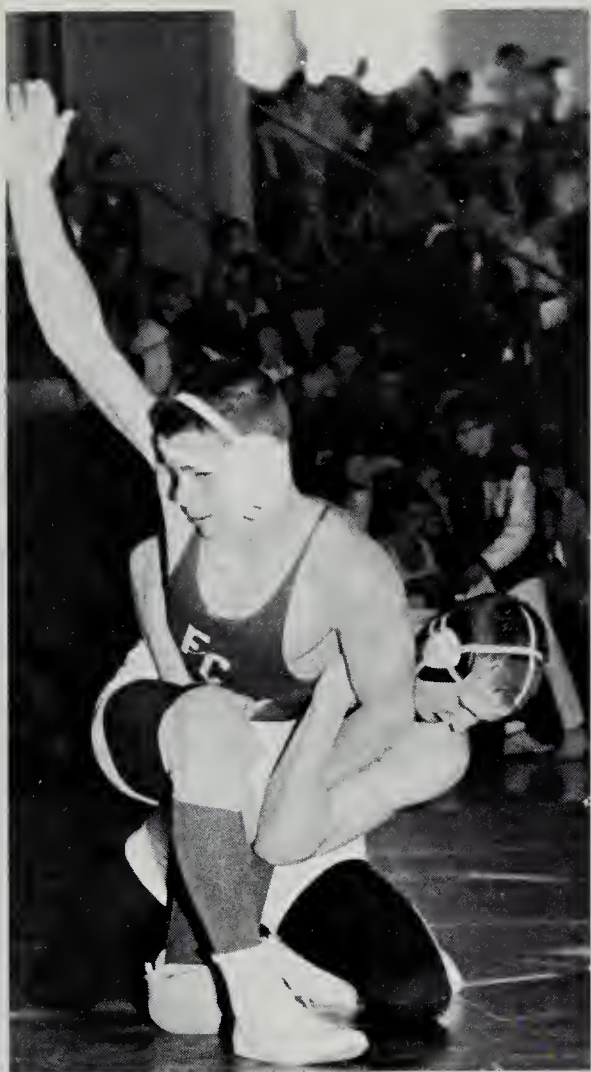

The Falls Church High School wrestling team climaxed a brilliant season by placing fourth in the district tournament. This achievement showed the wrestlers to be the best team ever to wrestle at Falls Church. The team reflected tremendous team spirit throughout the season and, with the desire to win, brought their record to a successful nine win and three lost season.

Turning in prominent performances were Ralph Lorenzo, runnerup at 120 pounds, David Callahan, third at 127 pounds, and John Farrell, third at 165 pounds.

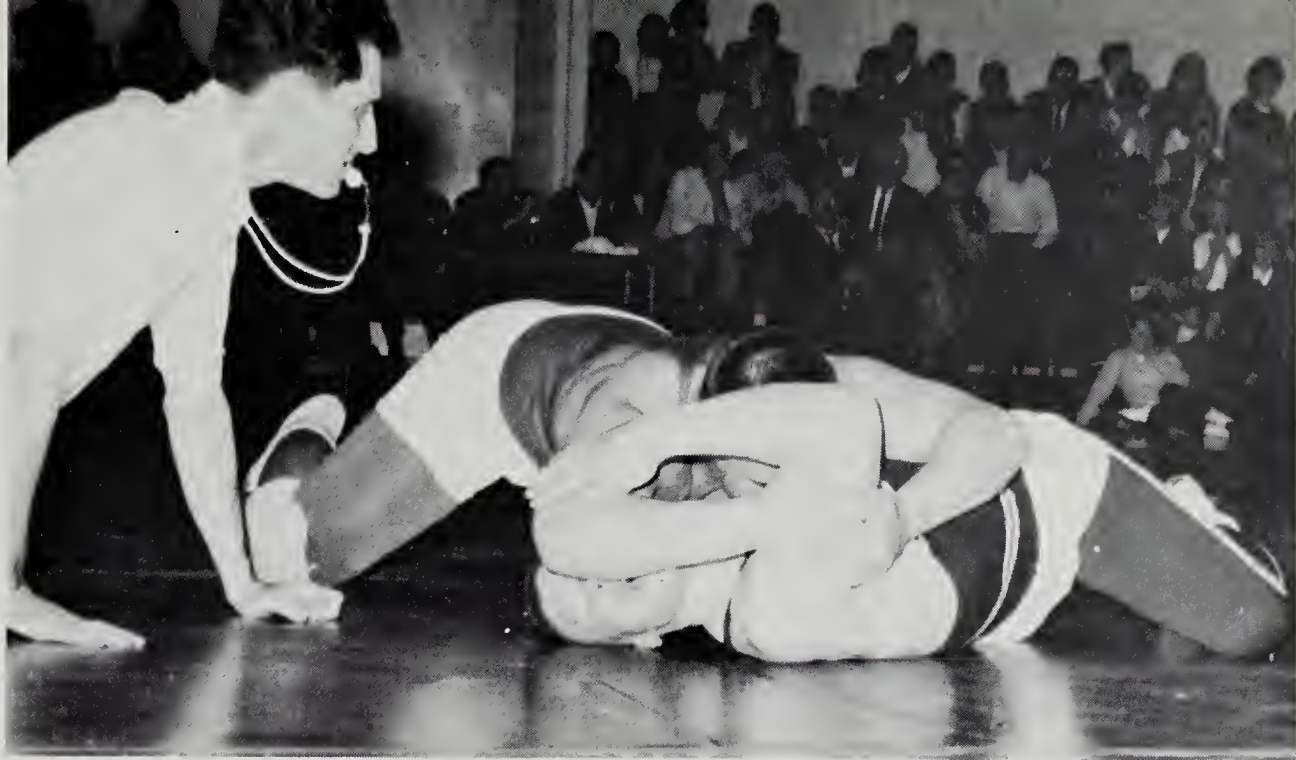

The real reason for all this achievement by the wrestling team was its coach, Dick Besnier. He led this team to an unforgettable season and for this achievement he should truly be commended. Outstanding throughout the year was Craig Burnham at 112 pounds, who was district champion and fourth in the state tournament.

COACH JOHN HULEN

The Falls Church Varsity Baseball team under the guidance of Mr. John Hulen, returned to the diamond this year to try to capture the Northern Virginia Group 1-A championship, which eluded them by one game last season.

Last year's team finished the season with a league record of 10-4 and an overall record of 12-4. The Jaguars placed five players on the All-Northern Virginia All-Star team, three of whom are returning. Mr. Hulen was selected "Coach of the Year" by the Northern Virginia Coaches Association.

Coach Hulen stated that in view of the balance of the league, the team would concentrate on making the Northern Virginia Tournament. He felt that this year's team had more pitching depth than last year, was as good a hitting team, but weaker in some defensive positions.

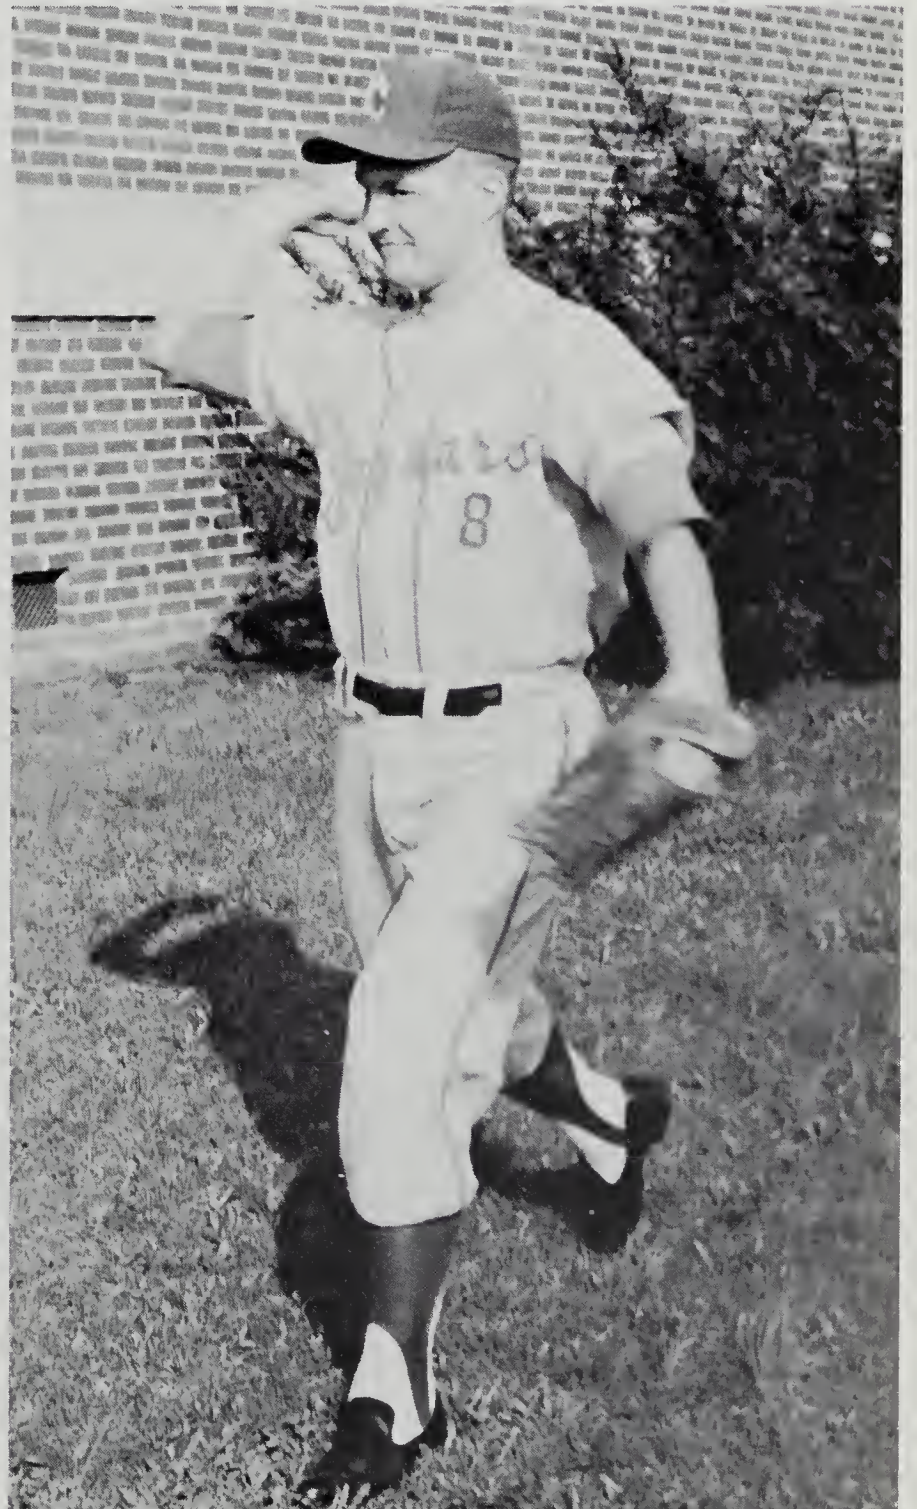

Coach Hulen goes over signals with the team.

The Falls Church thinclads opened their season by taking two first places in the Fairfax County Relays. The relay team made up of Dan Locke, Jim Mathias, Rudy Segaar, and Steve Washburn took a first place in the mile relay. The sprint medley team of Don Harvey, Rudy Segaar, Jim Mathias, and Steve Washburn took a first place and set a new meet record. The Jags also took a second place in the 440-yard relay and a fifth place in the 880-yard relay. The Jaguars finished sixth out of thirteen teams.

In the George Washington Relays the Jaguars placed sixth in the twenty-two team meet. The sprint medley team again landed a first place honor, while the mile relay team placed third.

So far this year Steve Washburn has broken the school record in the 440-yard dash; Don Harvey the school record in the 120-yard high hurdles; Rudy Segaar has claimed the school record in the 220-yard dash.

Although the team lacks needed depth, the outlook for the remainder of the season is good.

Steve Washburn takes the lead in meet with Annandale.

The Falls Church High School Cross Country season was highlighted by victories over Hammond and George Washington. The team placed sixth in the Northern Virginia Meet and twelfth in the State Meet.

The standout of the team was Steve Washburn. Steve placed first in almost all his outings and broke the course records at Washington-Lee and Falls Church. Rounding out the rest of the team were Jim Tally, Jim Mathias, John Raines, Ross Moore, Mostyn Jones, and John Frye, who scored consistently in every meet. Coach Garhart's everyday effort provided what was needed to bring a good record to FCHS in Cross Country events.

Lack of experience and the loss of three regulars present the 1964 Golf Team with its biggest problem. The team is composed of two freshmen, Tim Arnold and Pete Oakley; one junior, Chuck Speacht; and three seniors, Bill Landrus, Richard Rouse, and Phil Hargis. Of these Rouse, Hargis, and Speacht were the only returning golfers.

Captain Phil Hargis, the number one golfer on the team, is one of the most consistent scorers in Northern Virginia. His biggest assets are his long tee shots and his short iron shots. Bill Landrus is a fine golfer who lacks experience, but his driving and putting ability help the team greatly. Richard Rouse has played on the golf team for two years and is a leader among the more experienced golfers. Playing a tremendous short game he contributes much to the team.

Chuck Speacht has a fine chip shot which enables him to one-putt many greens. Pete Oakley and Tim Arnold round out the last two positions. With experience these two boys should prove to be important assets to the team.

The completion of the new hockey field was a great asset to the achievement of the Varsity and Junior Varsity hockey teams. Practice sessions were improved due to the availability of the field for use every afternoon. The Varsity team scored more points this past season than they had scored in the past three years combined. Their hard work was rewarded by their record at the end of the season: 2-3-3. An annual award is given each year to the most valuable player; this year the award was presented to Margaret Hosmer.

The girls' varsity basketball team, coached by Miss Nancy Birch and Miss Carolyn Morrison, ended the season this year with a 3-9 record. Inexperience and lack of height were definite disadvantages for the team. Although the girls worked hard and had plenty of enthusiasm, their efforts were sometimes in vain. The highlight of the season was an overtime victory over J.E.B. Stuart High School.

Homecoming 1963

Seated: CORA HERL, Queen; MARY GARVIN, Maid of Honor. Standing: LINDA HUFF, Junior Representative; MARTHA GRAY, Senior Representative; JAN MUIR, Senior Representative; CHERYL WILLIAMS, Sophomore Representative; BOBBY MILES, Freshman Representative.

The 1963 Homecoming Weekend began with the game against Lee. During halftime the 1963 Homecoming Court was introduced in the procession led by the floats. The winning float was entered by the Junior Class. Our 1963 Homecoming Queen, Miss Cora Herl and her escort, Dick Nystrom, were presented along with the other members of the court. Mr. Jordan presented Cora with a gold football.

The finale of the weekend came Saturday night as the Senior Class presented the 1963 Homecoming Dance. The first semi-formal dance of the year, the Homecoming Dance provided a gala evening for each couple in attendance. The court and their escorts were presented and the Queen was crowned, ending the Homecoming weekend for 1963.

Sadie Hawkins Day Celebrated

As Sadie Hawkins Day neared, chosen characters donned the typical fashions and assumed their roles as residents of Dogpatch. The characters included Elsie Luhring and Steve Washburn as Daisy Mae and Lil' Abner, Jim Ammons as Tiny Yokum, and Cheryl Lisonbee and Bob Mellott as Mammy and Pappy Yokum. Karen Cooke appeared as Moonbeam McSwine, Bill Landrus as Honest Abe, Carol Bowman as Cave Gal, Susie Karamessines as Wolf Gal; and, last but not least, Marrying Sam was portrayed by Dick Mayo.

Moonbeam McSwine bagged Honest Abe for her Sadie Hawkins' prize.

As the dance drew to a close, everyone was presented with a remembrance of this unforgettable evening.

F.C.H.S. Bids Farewell to Mr. William Jordan . . .

Mr. Todd receives keys of school from Mr. Jordan.

It was with regret that the students and faculty bid farewell to Mr. William H. Jordan as principal of Falls Church High. Having arrived at Falls Church with the Class of '64, Mr. Jordan had been principal for five years when he accepted the position as principal of the new Thomas Jefferson High School in Springfield, Virginia.

Falls Church welcomed as its new principal, Mr. Thomas D. Todd. Mr. Todd was not a newcomer to Falls Church High School, having served as Athletic Director here between nineteen forty-seven and nineteen fifty-nine. For the past five years he has been Assistant Principal of J.E.B. Stuart High School.
